Fares in effect:

Transportation is subject to the rules in effect on the date on which such transportation commences at the point of origin on the ticket.

Responsibility of carrier:

The carrier will be responsible for the furnishing of transportation only over its own lines. When the carrier undertakes to issue a ticket, check baggage, or make any other arrangements for transportation over the lines of any other carrier (whether or not such transportation is part of a through service), the carrier will act only as an agent for such other carrier and will assume no responsibility for the acts or omissions of such other carrier.

(A) Request for volunteers:

- (1) From among the confirmed passengers, the Carrier will request volunteers to relinquish their seats in exchange for compensation as defined in (D).
- (2) Once a passenger has voluntarily relinquished his seat, he will not later be involuntarily denied boarding unless he was advised at the time he volunteered of such possibility and the amount of compensation of which he would be entitled.
- (3) The request for volunteers and the selection of passengers to be denied boarding shall be in a manner solely determined by the Carrier.

(B) Boarding priorities:

- (1) If a flight is oversold, no passenger may be involuntarily denied boarding until the Carrier first requests for volunteers to relinquish their seats.

(C) **Transportation for denied boarding passengers:**

Subject to the provisions of paragraph (D)(1) above, the Carrier will tender liquidated damages in the amount of CAD 250.00 cash, cheque or a credit voucher (good for future travel on Air Inuit) in the amount of CAD 350.00. If accepted by the passenger, such tender will constitute full compensation for all actual or anticipatory damages, incurred or to be incurred.

Rule: 0255 - Rerouting – When Allowed/Voluntary

- (A) The Carrier will reroute a passenger at the passenger's request and upon presentation of the ticket or portion thereof prior to arrival at the destination named on the original ticket PROVIDED that, after transportation has commenced, a one-way ticket will not be converted into a round trip ticket.

For explanation of abbreviations, reference mark and symbols, see Page 5.

- (B) The fare and charges applicable when a rerouting or change is made at the passenger's request shall be the fare and charges that would have been applicable had the original ticket designated the routing and/or destination as revised by the new ticket.

Rule: 0260 - Refunds – Involuntary

The amount carrier will refund upon surrender of the unused portion of the passenger's ticket pursuant to Rules 35 (refusal to transport), 50 (acceptance of children), or 240 (failure to operate on schedules or failure to carry) will be,

Rule: 0270 - Refunds Voluntary

When Rule 35 (refusal to transport), Rule 50 (acceptance of children), or Rule 240 (failure to operate on schedule or failure to carry) is not applicable, the carrier will, at the request of the passenger, and upon surrender of the unused portion of his ticket, provided application is made no later than (1) one month after the expiration date of the ticket, refund to the passenger named on the ticket on the following basis:

- (A) **If no portion of the ticket has been used**, the refund will be an amount equal to the fare and charges applicable to the ticket issued to the passenger less any applicable cancellation penalties;
- (B) **If a portion of the ticket has been used**, the refund will be an amount equal to the difference between the fare and charges applicable to the ticket issued to the passenger and the fare and charges applicable to the transportation of the passenger covered by the used portion of the ticket, including any applicable cancellation penalties.

For explanation of abbreviations, reference mark and symbols, see Page 5.

Rule: 0271 – Lost Tickets

- (i)** The passenger has purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket, the refund will be an amount equal to the fare and charges paid for such new ticket;
- (ii)** The passenger has not purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket, refund will be an amount equal to the fare and charges paid less any change fee, if applicable.

(B) If a portion of the ticket has been used, and

- (i)** The passenger has purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket, the refund will be an amount equal to the fare and charges paid for such new ticket;
- (ii)** The passenger has not purchased a new ticket covering the same transportation as that covered by the unused portion of the lost ticket, refund will be an amount equal to the difference between the fare and charges paid for the ticket and, the fare and charges applicable to the transportation of the passenger covered by the used portion of the ticket plus any change fee, if applicable.

For explanation of abbreviations, reference mark and symbols, see Page 5.

Refund will be made upon application provided that the lost ticket or lost portion thereof has not previously been honored for transportation or refunded to any person, and provided that the passenger agrees, in such form as may be prescribed by the carrier, to indemnify carrier for any loss or damage which it may sustain by reason of such refund.
